# INTRODUCTION

---

Euroyacht is conveniently located in Auckland at Unit 10, No.1 Westhaven Drive, next to Pier 21 Marina and specialises in service and maintenance of both sail and motor yacht vessels.

Experts in preparing any craft for sea, Euroyacht frequently commissions new Beneteau, Azimut, Lagoon and Selene boats once they arrive in New Zealand. Be it organising rigging and sails, installing and testing electronic systems, setting up entertainment gadgets or planning a cruise, Euroyacht will go the extra mile to make boat ownership and your boating life a pleasure.

A well maintained vessel will provide the best boating experience and best results especially when it comes time to sell. Any repairs or maintenance required prior to survey in preparation of your boat for sale, or following survey can be completed by the Euroyacht team. Trained and skilled specifically for Beneteau and Azimut, as well as across many marine disciplines the staff will provide clients with top service as required.

Periodic checks and maintenance are the only way to be confident that your boat is in 'tip-top' condition when you put out to sea. Euroyacht pride themselves in good communication and follow up programmes that enable the boat owner to have complete peace of mind. Euroyacht can service and maintain your vessel regularly via our customised Maintenance and Service Programme.

It is a comfort to know that technical professionals will be keeping a close watch on your asset.

## **ADVISORY SERVICES**

*Euroyacht staff have many years of sea miles under their belts. Should you be new to the boating world and wish to have private one-on-one guidance to familiarise yourself with a new craft, look no further.*

*... motoring into a marina, best anchorages, keeping the batteries charged ...  
you name it, Euroyacht – at your service!*

# YACHT MANAGEMENT

## MAINTENANCE AND SERVICE PROGRAMME FOR YOUR BOAT

---

At Euroyacht, it is our philosophy that a well maintained vessel will provide the best boating experiences. Periodic checks and maintenance are the only way to be confident that when you put to sea, your voyage is trouble free and relaxing.

To help achieve this Euroyacht will customise a regular **Maintenance and Service Programme** to suit your type of vessel, whether you use a sail yacht or motor yacht.

Our objective is to allow you to use your boat at any time without being confronted with faulty systems or failed equipment, allowing you to gain the maximum enjoyment during your time away.

## EUROYACHT HEALTH CHECK

---

A customised **Health Check** is available if the ongoing vessel maintenance and service programme doesn't suit your needs. A pre-season check over or check prior to an extended voyage is a necessity, which alerts the owner to potential or necessary work that might be required. This comprehensive health check is completely flexible and can be tailored to suit the operating systems and equipment of your vessel.

Euroyacht will maintain a full record of all checks completed and a copy will be sent to you upon completion. It takes into consideration, cleaning, grooming before weekend outings, to engine, generator and water maker servicing before long trips. Comments may be attached and if required will include quotes to complete various items of work.

It is as important as an annual service for a car!

# Additional Services

## LIFT AND HOLDS

Euroyacht can arrange a **Lift and Hold Service** for under-water inspections, installations and bottom washes. We can also arrange floating dock services.

A thorough inspection of the hull annually is definitely recommended, including anodes, skin fittings, propeller and rudder.

## INTERIOR AND EXTERIOR GROOM AND CLEAN

If you need your boat looking its best, Euroyacht's **Grooming Service** will have it sparkling in no time.

Whether it is an interior or exterior groom, Euroyacht can do it all and we use only the best cleaning products to keep your boat looking great for the longest time and if your boat is moored on our Sales Marina, you can be assured that we can keep her sparkling for any potential buyer.

## FULL UPGRADES

If your equipment is out dated or you're in need of something new, Euroyacht can provide a **Full Upgrade and Installation Service** to suit your needs.

Euroyacht specialises in the installation of marine equipment and have vast experience in all areas of the marine engineering systems found on your boat.

## ENGINE SERVICE

The engine is the heart of the boat and is a vital piece of equipment.

Euroyacht can arrange all your boat's **Engine Service and Maintenance** to ensure a long and healthy life. When was your engine last serviced?

## ELECTRICAL UPGRADES

---

Whether it is new equipment or faulty circuits, sometime in the life of your boat it will be due for an electrical upgrade.

Euroyacht can provide **Electrical Services** for both the AC and DC systems of your boat: all work is carried out to the NZ safety regulations and AC work is completed by a registered electrician.

## COMPOSITE REPAIRS

---

**Composite Repairs** and modifications carried out by Euroyacht will be completed to the highest standard.

Euroyacht technicians have experience with all high tech composites found in today's marine environment.

## CATERING

---

Let us take stress out of **catering** for your corporate lunches or day sails. Leaving straight after work or have no time to shop?

Platters for all tastes can be delivered to your craft with virtually no additional preparation required.

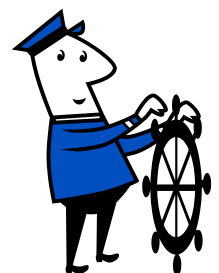

## 'DIAL A DRIVER'

---

Our crew are available to assist if you wish to have time off behind the wheel. Factory trained and experienced, the crew can **drive the boats** you buy.

Their knowledge and extensive boating experience in both power and sail is invaluable.

We customise your own individual package to suit your requirements.

## SIMRAD OR RAYMARINE PACKAGE

This Marine Electronics package is tailored to your needs. It includes:

- Autopilot
  - VHF for Chart table (small craft\*) with AIS (large craft\* only)
  - Mast Radar
  - Steering console for cockpit (small craft\*) and/or saloon (large craft\* only)
- \*Where small craft are 30'-40' and larger craft are 40'-50' – power or sail.*

Fusion Marine Stereo can be integrated into the Simrad/Raymarine backbone if requested.

**Simrad vs Raymarine – the choice is personal – our experts can answer your queries.**

**Simrad NSE** is a stunning all new generation of navigation systems. NSE evolves from the finest brands in the marine electronics industry and offers the ultimate user experience. Elegant yet brutally strong, NSE combines flexibility with the classic reliability our typical experienced users demand in a multi-function display.

Simrad has long been recognized as a leader in professional marine markets, specifically for innovative and quality autopilot systems. Increased global resources and technologies derived from sister brands within Navico, have enabled the combined style, functionality and usability that is NSE.

**Raymarine**, the world leader in marine electronics, develops and manufactures the most comprehensive range of electronic equipment for the recreational boating and light commercial marine markets. Smart on the inside, simple on the outside: that's the Raymarine advantage.

Raymarine products combine industry-leading technology with intuitive design, to deliver a range that's ideally suited to the needs of today's boater - whether it's a round-the-world race or a weekend fishing trip. Backed up with years of research and customer feedback, this focus has allowed us to create a range that

offers high performance and reliability, as well as exceptional ease of use: making sure you get the information you need quickly and easily.

And, behind it all, there's Raymarine's service commitment: outstanding warranty and technical support - and a worldwide network, providing total peace of mind wherever your boating takes you.

## ANTIFOULING PACKAGE

---

### *Is your boat due for antifouling?*

Euroyacht can arrange services using only the best products on the market  
Cleaning of the hull according to manufacturer's instructions  
Two coats of EPOXY primer  
Two coats of antifouling with paint roller or Airless application (optional)

#### **Additional Options**

1. 1 coat of a different colour antifoul under the final 2 coats to act as a wear indicator coat.
2. Upgrade to self-polishing antifoul, especially if boat needs to do a long voyage.
3. Sand propeller and sternlegs. Solvent wipe and apply propspeed.
4. Sand saildrive. Solvent wipe and apply propspeed.

# Products

We hold agencies for and supply a small range of top quality world renowned products that will further enhance the look, performance and onboard comfort of your boat.

See [www.euroyacht.co.nz](http://www.euroyacht.co.nz) for even more information about these products.

## ANCHOR - SPADE

---

Unique triangular ballast chamber, the anchor is designed to land at the optimum angle for holding every time (a similar angle to a chisel being used in wood). It lands the right way up every single time - digs in - then holds and keeps holding!

Once they are on the sea floor, the concave shape of SPADE anchors is designed to compact the sea floor, and thus not to move! This design is unique.

**Pricing: steel, aluminium, stainless steel**

## FUSION MARINE STEREO

---

Delivers powerful sound, has multi-zone technology, amazingly simple controls and has complete control of the iPod/iPhone music library. There are many installation options and it can be enhanced with a waterproof dock to protect it from the harsh marine environment.

With the addition of the Marine Portable Media Device Dock, you can enjoy unlimited music and video on compatible TV's monitors or chart-plotters.

**Pricing: head units, amplifiers, speakers, aerials**

## SUPERDIGI MOBILE TV TUNER

---

Perfect for boating, the superdigi mobile TV tuner means that ghosting, blurred images or fading are a thing of the past. Using twin digital tuners to process signals - these signals are 'added' together to produce excellent output allowing access to quality pictures from any existing land based digital TV station, whether you are moored or cruising at speed.

**Pricing: tuner**

## MAX PROP

---

The Max-Prop uses a “differential” type design so that the blades cannot fail to open in forward or reverse. In a recent survey of Seven Sea Cruising Association readers, the Max-Prop received a perfect rating on no failures (one of only two products to receive such praise). About 32,000 Max-Props are in operation around the world today!  
The Max-Prop will fit directly onto your existing shaft.

**Drag:** Max-Prop feathers automatically with the forward momentum of the boat. Once feathered it provides the least possible drag.

**Versatility:** The Max-Prop offers the possibility of pitch adjustment without external controls.

**Cruising:** The two or the three blade Max-Prop is the propeller of choice for the cruising sailor.

**Racing:** Worldwide many of the top racing boats have opted for the Max-Prop solution.

**Pricing: 2-blade, 3-blade**

## RAILBLAZA

---

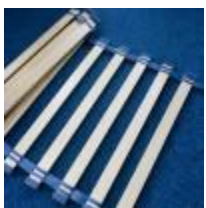

Modelled on existing winch handle receivers on most top brand sailboat winches, the starport can be surface or recess-mounted, rail-mounted or glued to any vessel. They are supplied in pairs with all mounting hardware. RAILBLAZA also sell a range of StarPort compatible accessories such as drink holders, fishing rod holders, bait tables much more. *(photo of rod holder)*

**Pricing: starport, mounts, tracport, accessories**

## BEDFLEX MARINE- INNERSPRUNG WOODEN SLATS

---

Gives you a comfortable night's rest with maximum healthy sleeping comfort at all times.

Do you always have a comfortable night's sleep?

Do you get condensation, damp and mildew in your mattresses?

Your problems are easily solved with **BEDFLEX MARINE** - mobile slat bed base that is so easy to install under your mattress.

The **BEDFLEX** system is made from varnished 100% beech wood the slats are placed on rubber mounts to form an added layer of sprung comfort for a better night's sleep.

**Pricing: Single, Double, Installation**

## C-POD

---

Protect your boat from theft and burglary; monitor its systems from one unit.

- Fast installation
- Instantaneous message alert
- Global reach
- Updated information on position, speed and status
- Central server for maximum security
- GeoFence alarm
- Flexible systems with possibilities to equip sensors for intrusion or fire
- Remote control to onboard equipment including air-conditioning and heating
- Back-up battery

Alarm notifications will be sent via text or email to you and your additional recipients, such as Euroyacht, so an alarm is never missed. You can then log on to your personal Internet portal and track your boat.

**Pricing: System, remote control, USB sensors, cables, connectors, accessories, antennas**

## JABSCO SPARES KIT

---

Manual toilet pump spares kit. Be sure to have the right spares onboard your boat.

**Pricing: on request**

## LED LIGHTS

---

Euroyacht can supply replacement LED bulbs for your yacht that draw as little as 0.1 Amp on a 12 Volt system, last 10 times as long as a standard halogen and they don't get hot!

The bulbs simply replace the existing halogen - no need to replace your surrounds.

**Pricing: Back pin, Side pin, 6-12 LED's, warm white, cool white**

## SEMCO TEAK SEALER AND CLEANER

---

Known the world over as the best protection for teak – marine or garden furniture.

Specially imported from the States by **EUROYACHT**. As a special service for our clients Semco products offer long lasting natural looking protection. It lasts throughout the season and can be renewed without deep cleaning or stripping for years!

Repels water without being slippery and relieves the drudgery of constant teak maintenance.

Purchase Semco direct from **EUROYACHT** which can be couriered to your door, or find your local stockist:

**Cater Marine** – Unit 16 Opuia Marina Park, Baffin Road, Opuia

**All Marine** – 231 Port Road, Whangarei

**Sailors Corner** – Cnr Beaumont Street and Westhaven Drive, Auckland

**Steve's Marine Supplies** – 18 Cross Road, Sulphur Point, Tauranga

**Oddies Marine** - Waikawa Marina Beach Road, Picton

**Pricing: Cleaner, Sealer, Clear coat, Scouring pads, quantities – pint, quart, gallon**

## YACHT CONTROLLER

---

The wireless controller that allows you to rule your boat by yourself in an easy and safe way.

The latest innovation in Boat handling when manoeuvring in confined spaces - The Yacht Controller. Allows you to step to the bow or to the stern and be in full control of the boat all the time.

Easily manage all aspects of maneuvering your boat. Yacht Controller is compatible with almost any electronic controls.

**Pricing: 2 channels, 3 channels, 4 channels**

## SPARE PARTS

---

All spare parts for Beneteau, Azimut, Lagoon or Selene boats are available from Euroyacht.

**All spare parts for other models can be sourced.**

## AND MORE ...

---

There are so many extras you may consider:

- Biminis
- Cushions and squabs

# NOTES

## Terms of Trade Applying to Goods and Services provided by Euroyacht Limited

1. **Price:** The price specified for goods and services is based on rates and costs at the date of contracting or estimating (as applicable). Any increase in these costs to the Company between the time of contracting/estimating and completion of the contract with the Buyer shall result in an increase to the quoted/estimated price and shall be payable by the Buyer upon completion of work. Generally we will quote/estimate prices exclusive of GST. Unless price specifies that GST is included, we will require you to pay GST in addition to the price. You may not withhold the price or deduct or set-off any amount against the price.

2. **Payment:** Generally, the price shall be payable in full prior to the goods being supplied to you and/or services paid for on completion of job. We may in our absolute discretion require payment of a deposit or that the price be paid wholly or partly in advance. We may also elect not to sell goods or provide service to you if payment is not received in accordance with our requirements.

3. **Title/Recovery of Goods:** Prior to receiving payment in full, title in any goods supplied by us will remain with us, even if the relevant goods have been built in or permanently attached. You consent to us retaining goods until we receive payment in full. If you fail to pay on the due date, or if you are in breach of these terms, you authorise us to enter any premises or vessel to recover goods for which we hold title. You indemnify us for any losses or costs we incur in recovering such goods. In particular (but without limitation) you will be responsible for any damage we cause in recovering goods (including damage we cause in recovering goods that have been built in or permanently attached). If the premises or vessel are the premises or vessel of the third party we will enter and recover the goods as your agent. We will be entitled to sell any goods held by us and apply the proceeds towards amounts owed by you.

4. **Security Interest:** You agree that for the purposes of the Personal Properties securities Act 1999 (“the PPSA”), we have a security interest in the goods supplied from time to time from us to you (as detailed in each invoice as supplied to you) as well as the proceeds of such goods. You agree to sign any documents required for us to perfect our security interest under the Personal Property Securities Act 1999 and authorise us to sign any such document as your attorney.

5. **Intellectual Property:** Where you buy a good that is a good designed by us, we reserve all rights in respect of ownership of, and copyright in, the design of the good. You may not copy the design of the product and you indemnify us for any loss we may suffer as a result of breach of this clause.

6. **Default interest/costs:** We may require that you pay us interest at 2.5 % per month (or part month) on any amount due and unpaid. Payment of default interest is without prejudice to our other rights and remedies. If we take action to recover any amount due from you, or to otherwise protect our interests in relation to moneys owed by you, you agree to pay our costs (including solicitor/client costs).

7. **Default interest/costs:** We may require that you pay us interest at 2.5 % per month (or part month) on any amount due and unpaid. Payment of default interest is without prejudice to our other rights and remedies. If we take action to recover any amount due from you, or to otherwise protect our interests in relation to moneys owed by you, you agree to pay our costs (including solicitor/client costs).

8. **Installation:** We are not responsible for installation unless we agree in writing. If we agree to install a good the cost of installation shall be as agreed in writing or, if not agreed, a reasonable charge as specified by us. Where we agree to install a good, we reserve the right to charge additional fees for any modifications required during installation.

9. **Timing:** We will do our best to meet any time frames for providing delivery of goods and services. However, timing is not guaranteed, and we are not liable for any additional costs due to delays or failure to supply.

10. **Standard of Work:** We will use all reasonable care in providing our services and will endeavour to provide our services in accordance with industry standards. All warranties implied by customary practice, at law or under statute are excluded to the extent legally permitted. If you on-sell goods supplied by us, you must not make any warranty inconsistent with these terms.

11. **Matters beyond our control:** While we take care in the selection of materials and suppliers, we are not responsible for any defect, failure or delay resulting from the provision of goods or services by, or the acts or omissions of, any third party. In addition, we are not liable for any defect, failure or delay in providing services, or for any loss, damage or deterioration to any goods, where the same arises due to a cause beyond our reasonable control. We shall cease to have any responsibility for a good if you modify or rework the good after delivery or if you cause any damage to the good during installation or during use of the good.

12. **Design/specification supplied by you:** We are not responsible for any loss, cost or damage resulting directly or indirectly, from any error, misdescription or inaccuracy in any design, specification or other information supplied by you. We are not obliged to check any design, specification or information supplied by you. Where a good is intended to form part of another good, or to operate in communication with another good, you are responsible for ensuring that the design

or specification for the good to be manufactured (whether such design or specification is to be supplied by us or by you) is compatible with the other good.

13. **Extent of Liability:** Without limiting clauses 8-12 (inclusive), our liability for any cost, loss or damage or claim arising directly or indirectly in relation to any goods, and/or services supplied by us, whether arising in contract, tort (including negligence) or otherwise, shall be limited to replacement or repair of the good in respect of which any claim arises. We are not responsible for any direct, consequential or special loss, loss of profits or economic loss incurred by you.

14. **Provisions applying to commercial customers:** You are a commercial customer if you acquire goods or services from us: (a) that are goods or services not ordinarily acquired for personal, domestic or household use; (b) for use in business; or (c) for resale or supply to other persons in trade. If you are a commercial customer and you on-sell goods supplied by us to any customer who is not a ‘consumer’, you agree to: (a) contract out of the Consumer Guarantees Act in respect of the sale of goods; and (b) require your customer to contract out of the Consumer Guarantees Act in respect of further sales of the goods (other than for a sale to a consumer) and to require any sub-seller(s) to do the same. You indemnify us for any damages or costs suffered as a result of your failure to comply with this clause.

15. **Provisions applying to consumers:** You are a consumer if you are not a commercial customer under the preceding clause. If you are a consumer, nothing in these terms limits or excludes any right you have under the Consumer Guarantees Act 1993.

16. **Contracting out of the PPSA:** You agree to waive your right to:

- (a) receive a statement of account to s116 of PPSA;
- (b) recover a surplus pursuant to s119 of the PPSA;
- (c) receive notice from us, pursuant to s114(1)(a) of the PPSA, that we intend to sell certain goods over which we have security interest;
- (d) receive notice, pursuant to s120(2) of the PPSA, that we intend to retain collateral
- (e) object to a proposal by us, pursuant to s120 of the PPSA, that we intend to retain certain goods over which we have a security or interest;
- (f) not have goods damaged should we remove an accession under s125 of the PPSA;
- (g) receive notice, pursuant to s129 of the PPSA, of our removal of an accession;
- (h) apply to the court for an order concerning the removal of an accession under s131 of the PPSA; and/or
- (i) receive a copy of the verification statement confirming registration of a financing statement or a financing change statement relating to any security interest we may have in goods or services supplied to you from time to time

17. **No waiver:** No delay or failure by us to insist on any right shall be regarded as a waiver and every right remains enforceable and may be exercised by us at any time

18. **Collection and Use of Info:** We have authority to complete credit checks as deemed necessary

19. **Miscellaneous:** In these terms, headings are used for convenience only and shall not affect the interpretation of any clause. These terms of trade prevail over the terms of any purchase order or any terms of contract submitted by you. To the extent of any inconsistency, these terms of trade also prevail over any estimate or quote provided to you. NZ law governs these terms of trade.

20. **Goods:** For the purposes of these terms of trade, the terms ‘goods’ means all equipment supplied by us to you from time to time (as each invoice supplied by us to you), together with the proceeds of such goods.

21. **Guarantee:** If you are entering into these terms of trade in the name of a company, then in consideration of us entering into these terms of trade at the request of the director(s) of the company (“the Guarantor”) the Guarantor guarantees the due and punctual payment of all monies and performance and observance by the customer of all terms, conditions and obligations contained in these terms of trade. Where there is more than one director of the company, then all directors will be jointly and severally responsible for performance of this guarantee.
